

Design Patterns

- ↳ oop
- ↳ solid
- ↳ splitwise
- ↳ shape calculator

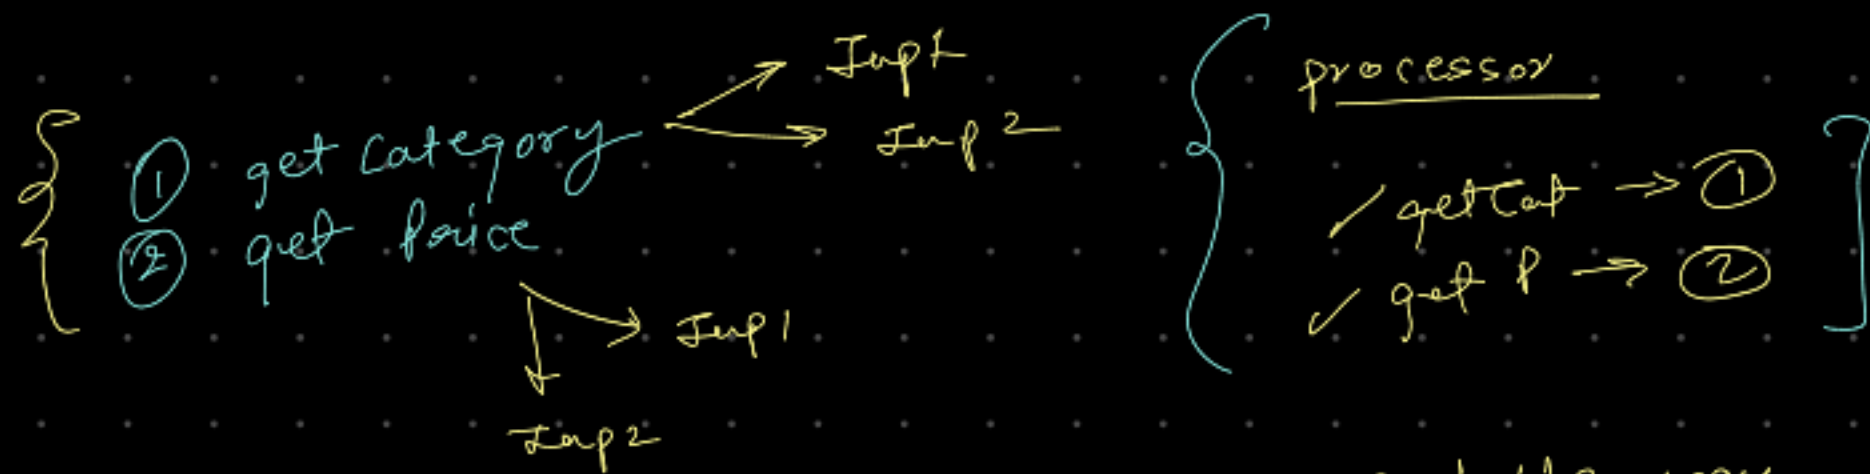

for situations there are recommended ways of writing code.

Design Patterns

do I need more than 1 splitwise object
 ↳ singleton pattern ✓

Patterns → known way of coding for certain situations.

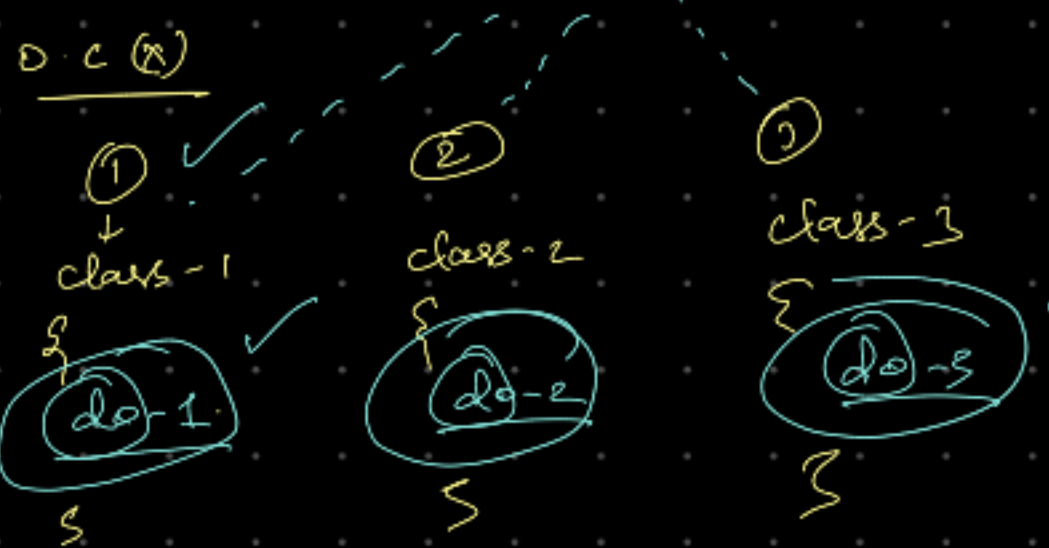

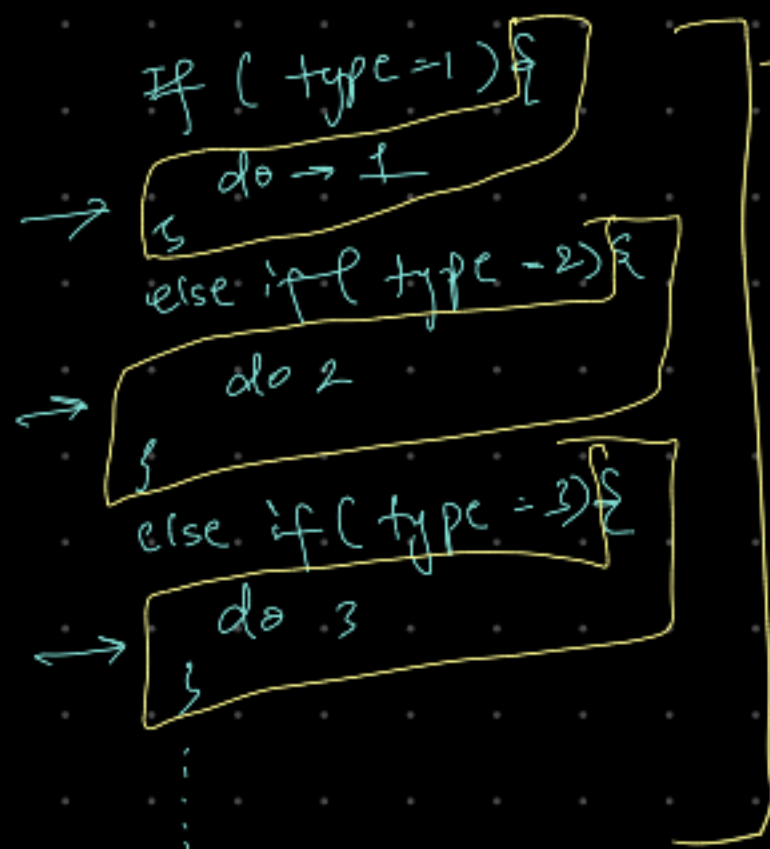

Q ⇒ Design the above system in a scalable way

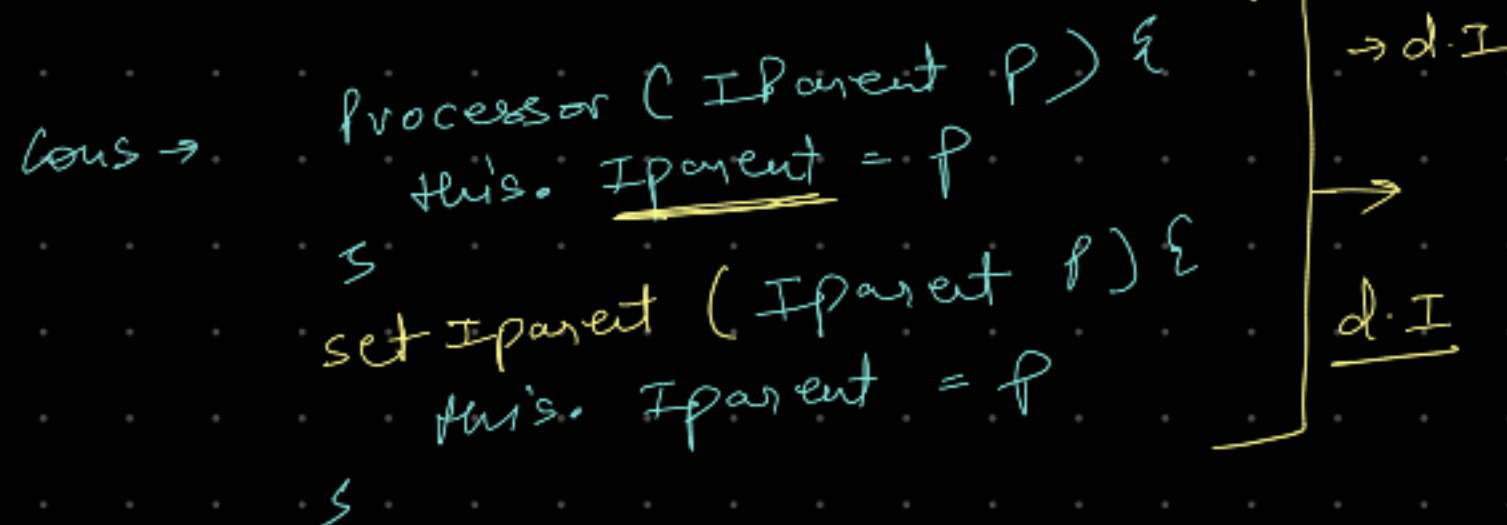

- ↳ strategy
- ↳ D. Inversion

strategy

↳ open-close principle → n

// set the IParent → Cons, setter

abstraction

Inheritance

encapsulation

client
 ↳ main
 c1, c2, c3
